SERVICES SETA STAKEHOLDERS

DEFERMENT OF LEARNING PROJECTS

Dear Valued Stakeholders

As we are concluding the 2019/20 financial year, SSETA has taken a decision to focus on completions of learners that are currently enrolled and learning projects that are concluding this year. As a result, the organisation has taken a decision to defer all new but offered learning projects that are compliant in relation to project documents to commence in the new financial year - May 2020.

Kindly contact the following Managers for the respective areas of the allocations:

- a) Ms Shireen Raju- Regular DG Allocations at ShireenR@serviceseta
- b) Ms Mamarothi Mathibe- Special Projects at MamarothiM@serviceseta respectively on the status and the readiness of your project on the Learner Management Information System (LMIS).

Kind Regards
